SINCE 1970

★CHAMPION★

AWARDS & APPAREL
www.gochampion.net

The Art Department accepts the following media types:
- Media Cards
- Jump Drives
- CD-ROM disk (no CD-Rewritables accepted)
- E-mailed in correct format to: art@gochampion.net

The Art Department accepts computer art files in the following art program formats:
- Adobe Illustrator CS2
- Adobe Photoshop CS2*
- Macromedia Freehand 10.0

All fonts must be outlined or included in Mac font suitcases on the disk with your art (or e-mailed).

If possible, save your art file as Adobe Illustrator 10.0 (or earlier), as Macromedia Freehand 9.0 (or earlier), or as an editable PDF.

* Champion can color separate art using Adobe Photoshop as RGB Spot Process or as four color process (with spot color correction). Any art to be separated using Adobe Photoshop should be complete, exactly as you want it printed, saved with layers intact (not flattened). We can accept art to be separated in Photoshop as an RGB Photoshop file (version 7.0 or earlier) or as an RGB JPEG file on both a white background and a black background, at 300 dpi or higher, at the size to be printed on the garment or specialty item.

Please use the following checklists to make sure your art meets the Art Department's specifications:

Checklist for Film:
100% Print Size
55 lines per inch
Spot color
No overprints

Checklist for Camera Ready Art:
